JOINT STATEMENT OF THE CASE

This case arises from the October 8, 2022, encounter between Anthony Silva by Stanislaus County Sheriff's Deputies, during which Plaintiff alleges that Mr. Silva sustained a cervical spine fracture that rendered him quadriplegic. He died approximately eleven months later, on September 10, 2023.

The Plaintiff is Anthony Silva's mother, Dorothey Heimbach. She claims that Stanislaus Sheriff Department Deputies Justin Camara and Za Xiong used excessive and unreasonable force against Anthony Silva and were negligent, causing his paralysis, related injuries, and subsequent death.

Defendants are Stanislaus County, Justin Camara, and Za Xiong. They deny Plaintiff's claims and contend that the use of force was reasonable and not excessive under the circumstances and their conduct was not negligent, nor caused his paralysis, related injuries or subsequent death.
